Five Oaks
Trade Park

DESCRIPTION

The property comprises a high quality light industrial unit that is due for completion in April 2022. The premises will be of portal frame construction with an internal height to eaves of approximately 6.9m and to the ridge of approximately 8.0m. This will allow sufficient clearance for occupiers to install a mezzanine floor if required.

Loading access will be by way of 2 full height roller shutter doors situated towards the north of the property.

The property will be finished to a high specification including solar panels and electric vehicle charging points in the external yard.

The premises will benefit from a significant external yard area which will include parking for approximately 23 cars.

LOCATION

This unit is located in the new Five Oaks Trade Park in the parish of St. Saviour. More specifically the Property is located in an area just north of Five Oaks roundabout and accessed directly from one of the major arterial routes into St Helier, La Grande Route de St Martins. Roadside signage and quality landscaped environment add quality and visibility to the unit.

Nearby occupiers include: Normans, Morrisons, Wine Warehouse, JEMEC Automotive Limited, Somerville Limited and HSBC. On completion Five Oaks Trade Park will include a CI Co-op and a Le Gallais Self Storage facility.
